## Rolled Edge Hat

Skill: Beginner

Gauge: 16st & 24 rows for 4" x 4"

Size: Baby: Newborn (0-3 months, 3-6 months)

10" (12", 14") around

Materials: 4.5mm small round needles and worsted weight yarn. I used Red Heart Super Saver in Pretty in Pink for the example at right.

### Instructions

Cast on 40 (50, 60) stitches. Ensure it is not twisted.

Knit each row around until the hat measures 5" (5.5", 6")

The bottom of the hat will roll up a little bit.

Cast off by cutting yarn long and threading a darning needle. Insert the darning needle into each stitch around, looping off your needle as you go. When all the loops are threaded onto your yarn, gently tighten your long tail to gather the top of you hat. Weave in your ends.
